# Consider Wycombe Abbey

Wycombe Abbey is an exceptional place; we operate as a modern full boarding school for around 650 girls, and we are committed to the development of each one. We have over 125 years of experience in educating young women and our vision remains to provide our pupils with a world class education. We are excited about encouraging curiosity, bold ideas, innovation, leadership and delight in learning - inside and outside the classroom.

We are a welcoming and vibrant community for all staff. Our school is set in 170 acres of parkland within a five-minute walk of the town of High Wycombe. We offer superb modern facilities, including a sports centre, a performing arts centre, a wide range of teaching facilities and 11 boarding houses. We are constantly improving our site and, through our new visionary masterplan, we will see the creation of a truly world-class campus over the next decade.

Wycombe Abbey's outstanding reputation for excellence is built on the dedication and skills of the people that work at the School. Every member of staff at Wycombe Abbey contributes towards the School's thriving community and works to continually strengthen our ambition for excellence. We seek to recruit well-qualified and enthusiastic staff who demonstrate knowledge of, and passion for, their area of expertise and contribute to the wider life of the School. In return, the School provides staff with a wide variety of opportunities to develop professionally within a supportive team and wonderful working environment. Please do watch the video to hear more from the staff themselves about working at the School.

Superb academic outcomes are the hallmark of a Wycombe Abbey education and girls regularly secure places at the most prestigious universities globally. However, we understand the importance of looking beyond the narrow confines of excellent examination results to define success. Our rich co-curricular programme includes an array of activities and opportunities, ensuring that every girl develops her passions and explores new possibilities. These experiences, in turn, help to build the skills, discipline and character that will support her future life.

Ultimately, schools are about people and at the heart of Wycombe Abbey's success is our total commitment to pastoral care through boarding. The core values of trust, encouragement and mutual respect underpin everything we do; in this happy and close-knit community everyone is known as an individual, friendships flourish and girls enjoy each other's company.

Thank you for your interest in joining Wycombe Abbey. We hope that you will find the information in this pack useful, and we look forward to hearing from you if you feel that this post may suit your skills and experience.

These are the values that shape our school.

Encouragement – we promote a positive atmosphere where all members of the community are supported to develop and fulfil their potential.

Mutual Respect – we seek to understand and embrace differences in people, ideas and experiences with tolerance and understanding.

Dynamism – we are a forward-thinking school that nurtures the leaders of tomorrow for a global workplace.

Excellence – we believe in the importance of striving to be exceptional in whatever we do through the setting of ambitious goals and taking ownership of our decisions and actions.

Balance – we understand the importance of supporting staff and pupils to thrive by maintaining a healthy mind and body.

Innovation – we are excited about creating the future through being open-minded, curious and embracing change.

Service – we recognise the great rewards that individuals reap in helping, supporting and giving to others both within the School community and beyond it.

# Teaching at Wycombe Abbey

The pupils at Wycombe Abbey are highly motivated with a strong work ethic. They are inquisitive, creative and eager to learn. Both pupils and teachers benefit from the small classes (typically no larger than 20 in Key Stages 3-4 and no larger than 12 in the Sixth Form), as well as well-resourced classrooms, libraries, laboratories and other facilities.

There is a wide range of ages and experience amongst the 115 teaching staff. Each year a number of newly qualified, and in some cases unqualified, recent graduates join the staff body. Wycombe Abbey offers statutory induction for Early Career Teachers and also offers teacher training/teaching apprenticeships to those without a PGCE.

There is proactive support for all new members of staff, who are guided through their first year at School by a variety of colleagues, with the line manager and an individually-appointed mentor taking the lead.

Professional development is highly valued at Wycombe Abbey and all staff are encouraged to participate in a vibrant and robust professional

development programme offering a range of opportunities including inspirational speakers, workshops, accredited courses, conferences, coaching and mentoring.

A Wycombe Abbey teacher typically teaches 30 35-minute periods per week. In addition, they are attached to a Boarding House and are responsible for a tutor group of around 10 pupils from the House. Teachers give freely of their time outside timetabled lessons, with all committing to co-curricular activities and helping individual pupils with their academic progress. Teachers are also expected to commit to other (supervisory) duties, such as accompanying House outings.

As a boarding school, Wycombe Abbey has lessons on Saturday mornings. There is time off during the week in lieu of Saturday teaching. Teachers are expected to be in School by 8:15am on weekdays and 8:45am on a Saturday. The teaching day finishes at 5:15pm on Monday, Tuesday, Thursday and Friday, 4:15pm on Wednesday and 11:50am on Saturday. Co-curricular and enrichment activities typically extend beyond these hours.

The Department works closely with academic and pastoral staff, as well as parents, to provide one-to-one lessons which take each pupil's whole wellbeing into account. Girls also benefit from drop-in sessions where they seek advice on work from subjects across the academic spectrum.

The role of the teachers within the Learning Enhancement Department is to help pupils access the curriculum and participate in School and community life. We aim to ensure that every girl is equipped with 21st century skills, ready to take her place in a globalised and rapidly changing world.
