Consider Wycombe Abbey

Wycombe Abbey is an exceptional place; we operate as a modern full boarding school for around 650 girls, and we are committed to the development of each one. We have over 125 years of experience in educating young women and our vision remains to provide our pupils with a world class education. We are excited about encouraging curiosity, bold ideas, innovation, leadership and delight in learning - inside and outside the classroom.

We are a welcoming and vibrant community for all staff. Our school is set in 170 acres of parkland within a five-minute walk of the town of High Wycombe. We offer superb modern facilities, including a sports centre, a performing arts centre, a wide range of teaching facilities and 11 boarding houses. We are constantly improving our site and, through our new visionary masterplan, we will see the creation of a truly world-class campus over the next decade.

Wycombe Abbey's outstanding reputation for excellence is built on the dedication and skills of the people that work at the School. Every member of staff at Wycombe Abbey contributes towards the School's thriving community and works to continually strengthen our ambition for excellence. We seek to recruit well-qualified and enthusiastic staff who demonstrate knowledge of, and passion for, their area of expertise and contribute to the wider life of the School. In return, the School provides staff with a wide variety of opportunities to develop professionally within a supportive team and wonderful working environment. Please do watch the video to hear more from the staff themselves about working at the School.

Superb academic outcomes are the hallmark of a Wycombe Abbey education and girls regularly secure places at the most prestigious universities globally. However, we understand the importance of looking beyond the narrow confines of excellent examination results to define success. Our rich co-curricular programme includes an array of activities and opportunities, ensuring that every girl develops her passions and explores new possibilities. These experiences, in turn, help to build the skills, discipline and character that will support her future life.

Ultimately, schools are about people and at the heart of Wycombe Abbey's success is our total commitment to pastoral care through boarding. The core values of trust, encouragement and mutual respect underpin everything we do; in this happy and close-knit community everyone is known as an individual, friendships flourish and girls enjoy each other's company.

Thank you for your interest in joining Wycombe Abbey. We hope that you will find the information in this pack useful, and we look forward to hearing from you if you feel that this post may suit your skills and experience.

Teaching at Wycombe Abbey

The pupils at Wycombe Abbey are highly motivated with a strong work ethic. They are inquisitive, creative and eager to learn. Both pupils and teachers benefit from the small classes (typically no larger than 20 in Key Stages 3-4 and no larger than 12 in the Sixth Form), as well as well-resourced classrooms, libraries, laboratories and other facilities.

There is a wide range of ages and experience amongst the 121 teaching staff. Each year a number of newly qualified, and in some cases unqualified, recent graduates join the staff body. Wycombe Abbey offers statutory induction for Early Career Teachers and also offers teacher training/teaching apprenticeships to those without a PGCE.

There is proactive support for all new members of staff, who are guided through their first year at School by a variety of colleagues, with the line manager and an individually-appointed mentor taking the lead.

Professional development is highly valued at Wycombe Abbey and all staff are encouraged to participate in a vibrant and robust professional

development programme offering a range of opportunities including inspirational speakers, workshops, accredited courses, conferences, coaching and mentoring.

A Wycombe Abbey teacher typically teaches 30 35-minute periods per week. In addition, they are attached to a Boarding House and are responsible for a tutor group of around 10 pupils from the House. Teachers give freely of their time outside timetabled lessons, with all committing to co-curricular activities and helping individual pupils with their academic progress. Teachers are also expected to commit to other (supervisory) duties, such as accompanying House outings.

As a boarding school, Wycombe Abbey has lessons on Saturday mornings. There is time off during the week in lieu of Saturday teaching. Teachers are expected to be in School by 8:15am on weekdays and 8:45am on a Saturday. The teaching day finishes at 5:15pm on Monday, Tuesday, Thursday and Friday, 4:15pm on Wednesday and 11:50am on Saturday. Co-curricular and enrichment activities typically extend beyond these hours.

The expertise of our staff and technicians spans the artistic spectrum and includes in-depth knowledge of drawing and painting, printing techniques, creative textiles, dark room photography and digital imagery, tufting, ceramics and glass work.

Pupils gain first-hand experience working with a wide variety of materials and examination pupils have the opportunity to have individual tutorials and sessions with our specialist glass artist.

Pupils enjoy the opportunity to participate in specialist masterclasses such as life drawing and weekend workshops with visiting craftspeople. Sixth formers lead and run the Art and Photography societies and all pupils use the Art rooms for enterprise, competitions and House activities.

Department facilities:

- Two Art studios
- Textile studio
- Kiln room
- Dark Room
- Photography Studio

The Art Department is open seven days a week using a rota of specialist staff. All pupils are welcome to use the Art studios during the evenings and at weekends for recreational Art, either to supplement their lessons or to work on independent creative projects.

Trips are organised to visit Art galleries to engage with the work of a range of artists or to supplement cross-curricular learning. London and Oxford are popular destinations to support creative awareness and develop knowledge and understanding.

UIII-UIV (Year 7-Year 9)

All the fundamentals of good practice are covered as girls learn independence and explore the possibilities of 2D and 3D disciplines. Work is undertaken in drawing, painting, ceramics, printmaking, creative textiles, digital photography and graphic design by exploring short themed assignments with final outcomes to explore skills, materials and discover new areas in which to extend their knowledge.

LV-UV (Year 10-Year 11)

The AQA 8201 Art, Craft and Design GCSE course encourages personal work which develops problem solving and analytical skills. Practical skills, experimenting with a wide variety of media and techniques are encouraged and then applied to explore, experiment and refine individually chosen themes and ideas which culminate in individual and original work using a variety of scales. Artists and designers from a range of cultural and geographic backgrounds are referenced throughout the course in sketchbooks. Pupils can attend the life drawing sessions and are expected to use the studios in their free time and during weekends to extend their creative journeys. Every girl has an individual exhibition at the end of the course.

LVI-UVI (Year 12-Year 13)

For the AQA 7201, A level course, pupils undertake rigorous, in-depth investigative work which encourages and develops in-depth knowledge and understanding. Curiosity and creativity are key in all aspects of research to develop original work in any discipline. In the Sixth Form girls can also elect to take dark room wet processing and digital photography classes and participate in life drawing workshops.
