Consider Wycombe Abbey

Wycombe Abbey is an exceptional place; we operate as a modern full boarding school for around 650 girls, and we are committed to the development of each one. We have over 125 years of experience in educating young women and our vision remains to provide our pupils with a world class education. We are excited about encouraging curiosity, bold ideas, innovation, leadership and delight in learning - inside and outside the classroom.

We are a welcoming and vibrant community for all staff. Our school is set in 170 acres of parkland within a five-minute walk of the town of High Wycombe. We offer superb modern facilities, including a sports centre, a performing arts centre, a wide range of teaching facilities and 11 boarding houses. We are constantly improving our site and, through our new visionary masterplan, we will see the creation of a truly world-class campus over the next decade.

Wycombe Abbey's outstanding reputation for excellence is built on the dedication and skills of the people that work at the School. Every member of staff at Wycombe Abbey contributes towards the School's thriving community and works to continually strengthen our ambition for excellence. We seek to recruit well-qualified and enthusiastic staff who demonstrate knowledge of, and passion for, their area of expertise and contribute to the wider life of the School. In return, the School provides staff with a wide variety of opportunities to develop professionally within a supportive team and wonderful working environment. Please do watch the video to hear more from the staff themselves about working at the School.

Superb academic outcomes are the hallmark of a Wycombe Abbey education and girls regularly secure places at the most prestigious universities globally. However, we understand the importance of looking beyond the narrow confines of excellent examination results to define success. Our rich co-curricular programme includes an array of activities and opportunities, ensuring that every girl develops her passions and explores new possibilities. These experiences, in turn, help to build the skills, discipline and character that will support her future life.

Ultimately, schools are about people and at the heart of Wycombe Abbey's success is our total commitment to pastoral care through boarding. The core values of trust, encouragement and mutual respect underpin everything we do; in this happy and close-knit community everyone is known as an individual, friendships flourish and girls enjoy each other's company.
